Seller's Insights

The elevation of the block really adds another dimension. You will find every room in the house is super private. The peace of mind knowing your in a safe and secure home in a peaceful neighbourhood is priceless.

This property really appealed as an investment because of the location and prospect for capital growth... I knew it would be popular! We have had tenants in there 100% of the time. So that is a testament to its appeal.

You'll love the cul-de-sac position and how close you are to everything! You will literally walk to Southport Park to do the groceries, and your school runs will only be 5-minutes. It's a game changer.

Suburb Profile

Family friendly Southport is one of the Gold Coast's oldest suburbs, boasting a superb range of established gardens and giant leafy trees. Many regard Southport's residential areas as being the Gold Coast's Toorak / North Shore as you'll find many stately homes set on large blocks of land, often with river frontage or fantastic views.

Southport is rapidly becoming one of the Gold Coast's real estate development hot spots with the Gold Coast's booming population.

It is known as Gold Coast's central business district due to its accessibility to the sea and rail. The suburb continues to be the main hub of business on the Gold Coast.

The prime location is home to two of the Gold Coast's oldest private schools. TSS 'The Southport School' an all-boys school with expansive grounds and riverfront position and St Hilda's the only all-girls school that started up in the early 1900s.

Dispersed throughout the suburb are small clusters of shops and corner stores. Brickworks is home to the ever popular Ferry Road Markets. It's not your average market as it houses a deli, butcher, fruit and veg, fishmonger with a Japanese restaurant, tea shop, coffee shop, restaurant and cafe all in glam surroundings, truly a destination stop for the locals.

With everything at your doorstep, Southport has it all. Only minutes from the beach, marina, shopping centres, boutiques, cafes, restaurants and nightlife. The area is close to multiple forms of public transport, private hospitals, prestigious schools and a short drive to the M1 Motorway.

A rapidly growing suburb for families and those looking to capitalise on a massive growth area.
