Suburb Profile

23 million years ago, the volcanic eruption of Mount Warning nestled Burleigh in the embrace of two natural headlands, rendering it unique and incomparable to anywhere else on the Gold Coast.

Walk north from Burleigh and your feet won't be troubled by another hill until well past Brisbane. Like Byron to the south, or Noosa to the north, Burleigh's natural beauty has attracted people longer than anywhere else on the Coast, and has nurtured a community that is as inclusive and welcoming as it is vibrant and cosmopolitan.

On the point of Tallebudgera Creek, Burleigh Heads is a National Park and local recreation spot loved by locals today as it has been by local Aboriginals for thousands of years. It is known to be a perfect vantage point to watch surfers working Burleigh's world famous break. Two kilometres of beautiful beach, lined by the oldest Norfolk pines on the Coast and framed by parks and a walking path loved by young and old... the foreshore is a community treasure.

On James St, in the heart of Burleigh you will find tradition and avant-garde walking arm in arm in a fusion that is both urbane and charming. With Dining choices ranging from the best and most famous the Gold Coast has to offer, to unique street eateries and two surf-clubs on the beach – you can't go wrong! Situated on the Gold Coast Highway, Burleigh is close to Broadbeach and Surfers, and has quick and easy access to the M1 at West Burleigh. Shopping is well catered for with specialty stores, major supermarkets and a farmers' market every weekend! Burleigh is also a mecca for small and medium business. Beyond the beach, the stylish neighbourhoods that surround Burleigh's beautiful lakes and canals are just a short walk away. Burleigh is serviced by a variety of good schools including two state primary schools, and private schools such as Marymount College, St Andrews Lutheran College, Kings Christian College and Hillcrest.
