Suburb Profile

Burleigh Waters is a serene oasis on the Gold Coast, nestled in the heart of the Gold Coast, offers an unparalleled blend of suburban tranquility and modern convenience. This family-friendly suburb is built around five picturesque lakes—Lake Heron, Miami Lake, Swan Lake, Pelican Lake, and Burleigh Lake. These waterways not only enhance the suburb's natural beauty but also provide opportunities for kayaking, boating and swimming. The suburb is renowned for its peaceful environment, dotted with parks, green spaces, and family-friendly playgrounds, making it an ideal place for raising children.

23 million years ago, the volcanic eruption of Mount Warning nestled Burleigh in the embrace of two natural headlands, rendering it unique and incomparable to anywhere else on the Gold Coast. Walk north from Burleigh and your feet won't be troubled by another hill until well past Brisbane. Burleigh's natural beauty has attracted people longer than anywhere else on the Coast, and has nurtured a community that is as inclusive and welcoming as it is vibrant and cosmopolitan. Two kilometres of beautiful beach, lined by the oldest Norfolk pines on the Coast and framed by parks and a walking path loved by young and old... the foreshore is a community treasure.

On James St, in the heart of Burleigh, you will find tradition and avant-garde walking arm in arm in a fusion that is both urbane and charming. With dining choices ranging from the best and most famous the Gold Coast has to offer, to unique street eateries and two surf-clubs on the beach – you can't go wrong!

Burleigh is serviced by a variety of good schools including two state primary schools, and private schools such as Marymount College, St Andrews Lutheran College, Kings Christian College and Hillcrest.
